TAX FRAUD DESTROYS COMMUNITIES

**TAXES BUILD BRIDGES AND SCHOOLS.
TAXES PAY FOR OUR PUBLIC SAFETY.
TAXES PROTECT OUR COUNTRY.**

DID YOU KNOW?

A MINIMUM OF ONE IN FIVE CONTRACTORS COMMIT FEDERAL TAX FRAUD

Why are so many construction contractors committing tax fraud? They do it to steal jobs from tax-paying businesses and their employees.

Corrupt contractors pay workers off the books, or, less often, as independent contractors when they clearly shouldn't. That allows them to evade state, local, and federal taxes, so they can illegally lower their labor costs to underbid law-abiding competitors.

IT'S INTENTIONAL

Frequently, corrupt contractors use law-breaking subcontractors and labor brokers to shield themselves from accountability.

IT'S NOT SMALL: IT'S \$10 BILLION

Construction industry tax fraud robs our state and federal governments out of \$10 billion a year. No job site is immune. No state is immune. Here are the estimated annual losses:

FEDERAL TAX LOSSES

- > California \$302 million
- > North Carolina \$333 million
- > Texas \$1.06 billion

STATE TAX LOSSES

- > Missouri \$28.7 million
- > Indiana \$30.2 million
- > Michigan \$66.4 million
- > Oregon \$54.9 million
- > Georgia \$68.1 million
- > North Carolina \$134 million
- > Pennsylvania \$82.3 million
- > Colorado \$36.9 million
- > Massachusetts \$73.6 million
